## Cooking Tongs

Get a grip with **AR+COOK**'s innovative cooking tongs, designed to accomplish every flipping, tossing or mixing job. Lift with the solid side to capture extra juices or flip to the perforated side to drain the fat away. This unique design also includes a sharp edge for chopping and slicing during cooking. The silicone head protects delicate pan surfaces from scratches and is heat resistant up to 615 oF/ 300 oC. To ensure comfort while cooking, these tongs feature **AR+COOK**'s revolutionary "Air-gonomic 180" handles, constructed with pockets of pressurized air. A simple locking system flattens tongs for compact storage. Tongs are available in large (13.75") and mini (11.75") sizes. The zinc collection is available in pink, purple, green or orange with a suggested retail price of \$18 for the larger size and \$16 for the mini size. The titanium collection is available in black or white with a suggested retail price of \$23 for the larger size and \$20 for the mini size.
